Objective

Aspiring Full-Stack Web Developer, passionate about building secure, user-centric web applications. Adapt at problem-solving, team collaboration, and fast learning in dynamic environments. Seeking opportunities to contribute technical expertise and creativity in real-world projects.

Education

Meghnad Saha Institute of Technology, B.Tech in Information Technology Oct 2022 – July 2026

- CGPA: 7.61/10

Technologies

Languages: C, Python, Java, JavaScript, HTML5, CSS3.

Frontend: React.Js, Tailwind CSS, Bootstrap.

Backend: Node.Js, Express.Js.

Database: SQL, MongoDB.

Coursework: DSA, CN, DBMS, OOPS, CD.

Projects

CarGo

- Developed a full-stack platform for car rentals with smooth booking, search, and management workflows.
- Integrated ImageKit for secure and optimized image upload & delivery.
- Designed an intuitive, responsive UI using React.js & Tailwind CSS.
- Built a Node.js + Express.js backend with MongoDB for reliable data handling.
- Deployed on Vercel, ensuring fast load times and scalability.
- Tech: React.js, Tailwind CSS, Node.js, Express.js, MongoDB, ImageKit.

Weather Web App

- Integrated OpenWeatherMap API to fetch real-time weather data for multiple cities.
- Designed card-based layouts with city names, temperatures, and weather icons using Tailwind utility-first CSS.
- Ensured full mobile responsiveness and seamless UI on all devices with modern CSS styling and testing.
- Deployed the app on Netlify with under 2s average load time, ensuring smooth user experience and accessibility.
- Tech: React.Js, Tailwind CSS, Javascript.

Awards & Achievements

- Solved over 250+ DSA Problems across LeetCode and GeeksforGeeks, including topics like Arrays, Linked Lists, Strings,—demonstrating consistent logical problem-solving ability.
- Participated in several hackathons that showcased creativity, teamwork, and problem-solving under time constraints.
- Completed multiple certifications in Artificial Intelligence & Machine Learning, covering topics such as ML algorithms, deep learning, and data preprocessing.
